VINUTHA CM

Bengaluru, India | +91 7760634369 | vinu2003cm@gmail.com | linkedin.com/in/vinuthacm | github.com/Vinutha6152

PROFESSIONAL SUMMARY

Computer Science and Engineering graduate with hands-on experience in **Python, SQL, web development, data curation, and machine learning** through internships and academic projects. Experienced in developing web applications using **React.js, Flask, MySQL, and JavaScript**, with working knowledge of **TensorFlow, Keras, Pandas, and NumPy**. Familiar with **data validation, quality checks, RLHF processes, and database management**. Seeking opportunities in software development, data, AI, and technology-driven roles.

TECHNICAL SKILLS

Programming: Python, JavaScript, SQL, C

Web Development: HTML5, CSS3, React.js, Flask, PHP

Machine Learning & Data: TensorFlow, Keras, Scikit-learn, Pandas, NumPy

Databases and Cloud: MySQL, Microsoft Azure

Tools: GitHub, Postman, VS Code, XAMPP, MS Office

Concepts: Machine Learning, Deep Learning, CNNs, DBMS, Data Profiling, RLHF, Agile Sprints

PROFESSIONAL EXPERIENCE

AI Data Curation & RLHF Intern **Oct 2025 – Nov 2025**

Skypoint.ai *Bengaluru, India*

- Worked on **AI data curation and dataset preparation** using Python and SQL.
- Performed data review, validation, and quality checks to improve dataset consistency.
- Worked with **Reinforcement Learning from Human Feedback (RLHF)** processes for AI model improvement.
- Collaborated with the team on data auditing and validation while following data quality and safety guidelines.

Full Stack Web Developer **Aug 2024 – Feb 2025**

Varcons Technologies Pvt Ltd *Bengaluru, India*

- Developed and worked on web applications using **React.js, Python/Flask, MySQL, HTML, CSS, and JavaScript**.
- Worked on **Learning Management System (LMS)** as part of the internship.
- Implemented frontend components and connected application functionality with backend services and databases.
- Gained practical experience in debugging, database handling, Git, and application development.

Web Development / Technical Intern **Aug 2024 – Sep 2024**

1stop.ai *Bengaluru, India*

- Gained hands-on exposure to web development and programming concepts.
- Worked on assigned technical tasks and strengthened skills in frontend and application development. Practiced implementing web-based solutions using common development tools and technologies.

Microsoft Azure Fundamentals Intern **Oct 2023 – Nov 2023**

In-Biot Pvt Ltd *Bengaluru, India*

- Learned fundamentals of **Microsoft Azure cloud services**.
- Gained exposure to Azure concepts including virtual machines, storage, networking, and cloud computing.

PROJECTS

Vitiligo Detection using CNN **Python, TensorFlow, Keras, Flask**

- Developed a CNN-based application for **vitiligo image detection/classification** using TensorFlow and Keras.
- Prepared and processed image data and trained the deep learning model for prediction.
- Developed a **web-based interface** to allow users to upload an image and obtain the model's prediction.
- Integrated the trained ML model with the website using **Flask**.
- Worked on both the **machine learning model and website development** as part of the project.

College Rating & Analytics System **PHP, Python, MySQL**

- Developed a web-based **College Rating System** to provide and manage college-related information and ratings.
- Built the application using **PHP** for the backend and web functionality.
- Used **MySQL** to store and manage college information and user ratings.
- Used **phpMyAdmin** for database creation, management, and administration.
- Designed the website interface using **HTML and CSS** and added JavaScript where required.

EDUCATION

K.S. School of Engineering and Management | Bengaluru | VTU (University) **CGPA: 8.76 / 10**

Bachelor of Engineering in Computer Science and Engineering | 2021 – 2025

Jnanasweekar PU College **Percentage: 88.33%**

Pre-University Course (PCMB) | 2019 – 2021

CERTIFICATIONS & PUBLICATIONS

- **Research Publication: *"Vitiligo Detection Using CNN"* — Peer-reviewed International Research Journal | Dec 2024**
- **Web Development — Internshala**
- **Data Analysis Using Python — IBM SkillsBuild (2026) | SQL & Relational Databases — IBM**
- **Strategy & Data Visualization — IIT Madras**
